**ARTICLE 3**  
**NO STRIKES AND LOCKOUTS**

- 3.1 The Union agrees that they will not engage in a “Strike” against the Village as defined in Section 447.203(6), Florida Statutes. “Strike” means the concerted failure of employees to report for duty; the concerted absence of employees from their positions; the concerted stoppage of work by employees; the concerted submission of resignations by employees; the concerted abstinence in whole or in part by any group of employees from the full and faithful performance of the duties of employment with the Village for the purpose of inducing, influencing, condoning, or coercing a change in the terms and conditions of employment or the rights, privileges, or obligations of public employment, or participating in a deliberate and concerted course of conduct which adversely affects the services of the Village; the concerted failure of employees to report for work after the expiration of a collective bargaining agreement; and picketing in furtherance of a work stoppage. The term “Strike” shall also mean any overt preparation, including, but not limited to, the establishment of strike funds with regard to the above-listed activities.
- 3.2 No employee or union may participate in a strike against the Village by instigating or supporting, in any manner, a Strike. **ARTICLE 4**  
**UNION ACTIVITIES**

- 4.1 The Union shall submit in writing the names of its Officers or Stewards who are authorized to speak on behalf of the Union and/or represent Bargaining Unit employees. The Village agrees to recognize the Union President. The President shall be authorized to represent Bargaining Unit employees through the first step of the grievance procedure. The President shall be authorized to represent Bargaining Unit employees in subsequent steps of the grievance procedure. However, at the Union's discretion, its attorney and/or Union business agent may be used at the other steps of the grievance procedure. The Village shall notify the Union of any grievance hearings and acknowledges the Union's right to attend grievance hearings filed by individual bargaining unit members.
- 4.2 No one shall be permitted to function as a Union Representative until the Union has presented the Village with written certification of that person's selection.
- 4.3 Bargaining Unit employees may elect a local Union President, Vice President and Secretary-Treasurer to act as their representatives during the life of this Agreement. The Union shall provide the Village with the name(s) of said local officers.
- 4.4 Upon prior notification and approval by the Department Director, the President and Vice President will be released from duty with pay, for a maximum of two (2) hours per pay period or for such additional period of time as the Village specifically approves, to investigate, process and attend grievance hearings or other employer-employee proceedings; however, such release from duty shall not interfere with the Union representative's assigned duties.

- 4.6 Access to Village property and use of Village paid time, facilities, equipment and other resources by the Union shall be authorized only to the extent provided in

this Agreement and shall not interfere with the efficiency, safety and/or security of the Village's operations.

4.7 The Village shall e-mail a copy of this Agreement to each Bargaining Unit employee within fifteen (15) days after the execution of this Agreement.

4.8 Up to three (3) members of the Union's negotiating team may participate in collective bargaining negotiations during their regularly scheduled hours of duty without loss of pay, provided that such employees are otherwise ready, willing and able to perform and fulfill their respective job duties. If any of the Union's negotiating team participates in collective bargaining negotiations while off-duty, they will do so without compensation.

4.9 Union Time Pool Bank:

4.9.1 The Union is hereby authorized to establish a time pool bank ("Union Bank") utilizing voluntary time contributions (i.e., accrued annual leave) from its members subject to the provisions of this Article.

4.9.2 An employee requesting to donate his/her accrued annual leave hours must complete an application and submit it to his/her Department Director. All donations to the Union Bank will be in 1 hour increments.

4.9.3 All accrued time donations to the Union Bank shall be converted to a dollar value based upon the donating employee's regular hourly base rate of pay in effect on the day that he or she files the donation application with his/her Department Director. The receiving employee shall be paid at his or her regular hourly base rate of pay for all Union Bank time used.

4.9.4 An employee wishing to use time from the Union Bank to conduct union business must submit such request, signed by the Union President, to his/her Department Director three (3) days or as soon as practicable prior to the day that the employee is requesting to use time from the Union Bank. Such request shall not be unreasonably denied; however, if because of the needs of the Department, an employee cannot be released at the time desired, the Union may request an alternate bargaining unit member be released from duty during the desired time.

**ARTICLE 5**

- 5.3 An employee aggrieved by a violation of this Article may not use the grievance and arbitration provisions of this Agreement.

**ARTICLE 6**  
**DUES DEDUCTION**

- 6.1 Effective immediately upon receipt of a written authorization form from an employee, the Village agrees, at no cost to the employee or the Union, to deduct regular union dues of such employee from his/her biweekly paycheck and remit such deductions to the duly elected Treasurer of the Union within ten (10) working days from the date of the deduction. The Union will notify the Village in writing prior to any change in the regular union dues structure.
- 6.2 An employee may, at any time, on forms provided by the Union, revoke his/her union dues deduction and shall submit such revocation form to the Village with a copy of such revocation form to the Union. Union dues deductions will only be stopped by the Village on the first pay period in each calendar month.

**ARTICLE 7**  
**BULLETIN BOARDS**

- 7.1 The Union will be provided with a designated bulletin board for posting Union material.
- 7.2 Such bulletin board space is to be used exclusively by the Union for the purpose of posting Union business and information such as: recreational and social activities and material related to employee relations matters.
- 7.3 The Union shall not post any materials which are obscene, defamatory or impair the operations of the Village.
- 7.4 For those employees with informational boxes, the Union may distribute Union literature and Union materials through such boxes by off-duty personnel.

**ARTICLE 8**  
**INITIAL PROBATIONARY PERIOD**

- 8.1 Probation for new hires shall be twelve (12) months in duration from the date of hire. A newly hired probationary employee may be discharged for any reason during his/her probationary period. The Village Manager at his sole discretion and at the request of a Department Director may extend the twelve (12) month probationary period to a maximum of three (3) additional months.
- 8.2 The probationary period for newly promoted employees, except for police dispatchers promoted to police dispatcher supervisors, shall be twelve (12) months from the date of the promotion. Police dispatchers promoted to police dispatcher supervisors shall have a promotional probationary period of eighteen (18) months, with the Chief of Police having the sole discretion to reduce such probationary period to twelve (12) months. If a newly promoted employee fails to complete his/her promotional probation, he/she will be placed back into the previously held position. A newly promoted employee that fails to complete his/her promotional probationary may not use the grievance procedure set forth in Article 10 of this Agreement to challenge his/her failure to complete probation.
- 8.3 Accumulation of sick time will be accrued from the first day of employment and a non-promotional probationary employee may use these days with the submission of a valid doctor's certification.
- 8.4 Annual leave days will be accrued from the first day of employment; however, a non-promotional probationary employee may not use any accrued annual leave until he/she has completed a minimum of one (1) year of service. In the event of an extraordinary circumstance, the Department Director may, at his/her discretion, allow an employee to take annual leave provided that the employee has accumulated that amount of accrued annual leave hours.

**ARTICLE 9**  
**DISCIPLINARY PROCEDURES**

- 9.1 Employees will only be disciplined or discharged for proper cause in a progressive manner, except in cases of gross misconduct which may result in immediate discharge. In each case a written statement indicating the preferred charges and the reasons for such action shall be presented to the employee being disciplined.
- 9.2 Disciplinary actions taken will be fair and consistent with other such actions taken by the Village under similar circumstances, utilizing the Village's Employee Policies and Procedures and any and all other rules and procedures of the Village and the pertinent Department.
- 9.3 Only disciplinary actions involving termination of employment, demotions and unpaid suspensions of more than five (5) days are subject to binding arbitration if the grievance is not resolved at Step 3 of the grievance procedure contained in Article 10. All other disciplinary actions, including written reprimands, paid suspensions and unpaid suspensions of five (5) days or less are only grievable through Step 3 of the grievance procedure contained in Article 10 and are not subject to binding arbitration.
- 9.4 All complaints, reprimands, or other records of disciplinary action against each Bargaining Unit employee shall be signed by the employee as evidence of the entry of that record into the employee's personnel file. The Bargaining Unit employee shall be given the opportunity to respond to the entry and such response shall be made part of the file. Personnel records will be maintained in compliance with the State of Florida laws.

**ARTICLE 10**  
**GRIEVANCE AND ARBITRATION PROCEDURE**

10.1 In a mutual effort to provide harmonious working relations between the parties to this Agreement, it is agreed to and understood by both parties that there shall be a procedure for the resolution of grievances between the parties arising from any alleged violation of the specific terms of this Agreement. Grievances relating to alleged violations of the specific terms of this Agreement shall be processed in the following manner.

10.2 **Formal Grievance Procedure**

**STEP 1**

Whenever an employee has a grievance, he/she should first present it to his/her direct supervisor within ten (10) calendar days of the event giving rise to the grievance. In cases where the grievance involves the supervisor, the grievant shall instead submit the grievance to the Department Director or his/her designee at Step 2 of the grievance procedure, within the time limit provided for the submission of the grievance in Step 1. The grievance shall be signed by the employee and shall specify all of the following: (a) the date of the alleged grievance; (b) the specific Article or Articles and Section or Sections of this Agreement allegedly violated; (c) the facts pertaining to or giving rise to the alleged grievance; and (d) the relief requested. The supervisor or Department Director, if applicable, may informally meet with the employee to address the grievance. A Union representative shall be present at the meeting upon the employee's request. The supervisor or Department Director, if applicable, shall reach a decision and communicate in writing to the employee and the Union representative within ten (10) calendar days (or such longer period of time as is mutually agreed upon in writing), from receipt of the grievance.

**STEP 2**

If the grievance is not resolved at Step 1, or if no written disposition is made within the Step 1 time limits, the Union shall have the right to appeal the Step 1 decision to

the Department Director or his/her designee within ten (10) calendar days from the due date of the Step 1 response. Such an appeal must be accompanied by a copy of the original written grievance. The Department Director or his/her designee may conduct a meeting with the grievant and his/her Union representative. The Department Director or his/her designee shall, within ten (10) calendar days after the presentation of the grievance (or such longer period of time as is mutually agreed upon in writing), render his/her decision on the grievance in writing to the aggrieved employee and the Union representative.

### STEP 3

If the grievance is not resolved at Step 2, or if no written disposition is made within the Step 2 time limits, the Union shall have the right to appeal the Step 2 decision to the Village Manager or his/her designee within ten (10) calendar days from the due date of the Step 2 response. Such an appeal must be accompanied by a copy of the original written grievance, together with a signed request form requesting that the Step 3 decision be reversed or modified. The Village Manager or his/her designee shall conduct a meeting with the grievant and his Union representative, if needed. The Village Manager or his/her designee shall, within ten (10) calendar days after the presentation of the grievance (or such longer period of time as is mutually agreed upon in writing), render his/her decision on the grievance in writing to the aggrieved employee and the Union representative.

- 10.3 If the grievance is not resolved at Step 3, or if no written disposition has been rendered within the applicable time limits, the Union shall have the right to appeal to binding arbitration within ten (10) calendar days from the date the Step 3 disposition is given, or the due date of that decision, if no written decision is made. Disciplinary actions involving terminations of employment, demotions and unpaid suspensions of more than five (5) days are the only disciplinary actions subject to binding arbitration if the grievance is not resolved at Step 3. All other disciplinary actions, including written reprimands, paid suspensions and unpaid suspensions of five (5) days or less are only grievable through Step 3 and are not subject to binding arbitration.

- 10.4 A grievance not advanced to the higher step within the time limits provided shall be deemed permanently withdrawn. Failure on the part of the Village to answer within the time limits set forth in any Step will entitle the Union to proceed to the next step applicable. The time periods contained herein may be mutually waived or extended.
- 10.5 Where a grievance is general in nature in that it applies to a number of employees having the same issue to be decided, it shall be presented directly to the Department Director or his/her designee at Step 2 of the grievance procedure, within the time limit provided for the submission of the grievance in Step 1 and signed by the aggrieved employees or the Union representative on their behalf.
- 10.6 The arbitrator may be any impartial person mutually agreed upon by the parties. In the event the parties are unable to agree upon said impartial arbitrator within ten (10) calendar days after the Village or Union request arbitration, the parties shall jointly request a list of seven (7) names from the Federal Mediation and Conciliation Service. Within ten (10) calendar days of receipt of the list, the parties shall alternately strike names, with the Village striking first. The remaining name shall act as the arbitrator.
- 10.7 The Village and the Union shall mutually agree, in writing, as to the statement of the grievance to be arbitrated prior to the arbitration hearing and the arbitrator shall confine his decision to the particular grievance specified. In the event the parties fail to agree on the statement of the grievance to be submitted to the arbitrator, the arbitrator shall confine his consideration and determination to the written statement of the grievance and the response of the other party. Copies of any documentation provided to the arbitrator by either party shall be simultaneously provided to the other party.
- 10.8 The arbitrator shall have no authority to change, amend, add to, subtract from, or otherwise alter or supplement this Agreement or any part thereof or amendment thereto. The arbitrator shall have no authority to consider or rule upon any matter which is stated in this Agreement not to be subject to arbitration. The arbitrator may not issue declaratory or advisory opinions.
- 10.9 Copies of the arbitrator's decision should be furnished to both parties within thirty

(30) calendar days of the closing of the arbitration hearing. The arbitrator's decision will be final and binding on all parties.

- 10.10 Each party shall bear the expense of its own witnesses and of its own representatives for the purposes of the arbitration hearing. The parties agree to equally share the arbitrator's fee and any related expenses including any cost involved in requesting a panel of arbitrators. The hearing room shall be supplied and designated by the Village. Any person desiring a transcript of the hearing shall bear the cost of such transcript, unless both parties mutually agree to share such cost.
- 10.11 Unless otherwise agreed to by both parties, grievances under this Agreement shall be processed separately and individually. Accordingly, only one (1) grievance shall be submitted to an arbitrator for decision in any given case. Settlement of grievances prior to the issuance of an arbitration award shall not constitute a precedent or an admission that the Agreement has been violated.

**ARTICLE 11**  
**WORK WEEK AND WORK SHIFT**

- 11.1 Overtime: Employees non-exempt from the Fair Labor Standards Act (“FLSA”) shall receive overtime pay (time and one-half of their regular rate of pay) or the equivalent in compensatory time for all hours worked in excess of forty (40) in a workweek. All hours worked in excess of forty (40) must be approved in advance by the Department Director unless there are unforeseen circumstances in which prior approval from the Department Director is not feasible.
- 11.2 Compensatory Time:
- 11.2.1 All hours worked in excess of forty (40) in a workweek will be paid at the rate of time and one-half an employee’s regular rate of pay unless the employee and the Department Director mutually agree in advance and in writing that the overtime will be banked compensatory time in lieu of overtime pay.
- 11.2.2 Compensatory time shall be credited at the rate of one and one-half (1-1/2) hours of compensatory time for each hour of authorized overtime worked.
- 11.2.3 Compensatory time may be accumulated up to two hundred and forty (240) hours. Compensatory time will be paid out upon the bargaining unit employee’s separation from employment at the rate of pay at the time of separation. However, the Village in its sole discretion may pay out any and all accrued compensatory time to the employees prior to the end of each fiscal year at the employees’ rate of pay. In case of death, the employee’s beneficiary will receive the full amount of an employee’s compensatory time at the employee’s regular rate of pay at the time of death. For purposes of this article, the employee’s beneficiary shall be the person designated as the beneficiary in the employee’s life insurance provided for by the Village.
- 11.2.4 Compensatory time off shall be subject to advance approval by the Department Director. A Village Compensation and Leave Request Form reflecting the allowance of time off as compensatory time shall be

provided to the Department Director at the time the bargaining unit member requests leave.

**ARTICLE 12**  
**PHYSICAL AND SUBSTANCE ABUSE EXAMINATIONS**

- 12.1 The Village strives to provide a safe, healthful and productive work environment for its employees and adopts a zero tolerance for drug and alcohol abuse in the workplace.
- 12.2 The Village may require an employee to submit to drug and/or alcohol testing: (1) during a fitness for duty examination of an employee who is experiencing job related problems which are of a physical and/or mental nature; (2) after the occurrence of a preventable accident involving said employee; and (3) based upon reasonable suspicion.
- 12.3 The following cutoff concentrations shall be applicable for determining whether specimens are negative or positive for the following drugs or classes of drugs for the testing procedure. A positive result shall be a concentration in excess of those limits below.

	<b><u>Initial Test Level (ng/mL)</u></b>
<i>Marijuana (Cannabinoids)</i>	50
<i>Cocaine</i>	100
<i>Opiates (Heroin, Morphine, Codeine)</i>	2000
<i>Phencyclidine (PCP)</i>	25
<i>Amphetamines</i>	500
<i>Methaqualone</i>	100
<i>Methadone</i>	300
<i>Propoxyphene</i>	300
<i>Tricyclic Antidepressants</i>	300
<i>Barbiturates</i>	300
<i>Alcohol (Ethanol)</i>	0.02 g%

- 12.4 Analysis of specimens shall be performed only by laboratories licensed or certified by the State of Florida, Agency for Health Care Administration (AHCA) or the Federal Substance Abuse and Mental Health Services Administration

(SAMHSA), utilizing qualified sites and employing collectors trained to follow authorized collection protocols and properly maintain legal specimen chain-of-custody.

- 12.5 A Certified Medical Review Officer (MRO) shall review all negative and confirmed positive laboratory reports. Confirmed positive results shall only be reported to the Village after the MRO has ascertained that personal prescriptions or other legal substances do not account for the laboratory findings. Investigations may include, as appropriate, telephone contact with the employee and any prescribing physicians. Employees may consult the Village appointed MRO concerning drugs and/or drug groups that may be tested for under this policy.
- 12.6 All positive initial tests shall be confirmed using gas chromatography/mass spectrometry (GC/MS) or an equivalent or more accurate scientifically accepted method. A confirmed positive testing employee will be given a Notice of Positive Drug Test Result letter containing both, the laboratory and MRO's telephone numbers as well as pertinent information concerning the drug and/or alcohol test result challenge/appeal process. Within five (5) working days of receiving written notice of a confirmed positive test result which has been verified, employees may submit to the Village and/or MRO explaining or contesting the test results. If the Village disagrees with the employee's position, it shall respond within fifteen (15) days from the receipt of a formal challenge of the test results. If the employee wishes to maintain the challenge, within thirty (30) days from the receipt of the Village's written response, the employee may appeal to a Court of competent jurisdiction and/or a Judge of Compensation Claims (if a workplace injury has occurred). Upon initiating a challenge, it shall also be the employee's responsibility to notify the testing laboratory which must retain the specimen until the case is settled.
- 12.7 All information, including interviews, reports, statements, memoranda, and drug test results, written or otherwise, received by the Village as a result of a drug-testing program are confidential and exempt from the provisions of 119.07(1), Florida Statutes, and shall only be released in accordance with federal, state and local laws.

- 12.8 Nothing in this Article is intended to prohibit the prescribed use of legally obtained medications which may contain controlled substances within the drugs and drug groups tested for in this Article. Because of potentially impairing side-effects which could endanger the employee, coworkers, or the public, upon being prescribed such medications, all employees have a duty to contact the MRO before they report to work. The MRO will determine which duties (if any) the employee may perform while taking the impairing or potentially impairing medication(s) and will so notify the employee's Department Director or his designee.
- 12.9 Employees may contact the Village's MRO to ask questions concerning prescribed medications they are taking for clarification purposes involving fitness for duty assessments.
- 12.10 To discourage the use and/or distribution of illegal drugs and/or alcoholic beverages in the workplace, upon reasonable suspicion, searches for alcohol, drugs and/or paraphernalia may be conducted on the Village's property or worksites of areas accessible to employees, including, but not limited to Village owned vehicles, equipment boxes, lockers, desks, etc. Discovered illegal items will be referred to law enforcement for disposition.
- 12.11 Disciplinary consequences for violating this Article are the immediate discharge of the employee for proper cause and the potential denial of Unemployment Compensation as specified per Section 443.101, Florida Statutes. An employee injured and subsequently confirmed positive for drug and/or alcohol based upon post-accident testing results shall likewise be terminated from employment and may lose Workers' Compensation benefits.
- 12.12 Any decision made or action taken which adversely affects the employee under this Article is subject to the grievance and arbitration procedure of this Agreement.

**ARTICLE 13**  
**HEALTH AND LIFE INSURANCE COVERAGE**

- 13.1 Medical Insurance Coverage – Effective the first full calendar month following ratification of this Agreement, the Village shall pay the following amounts toward the cost of Village-provided employee health insurance:
- Employee-only coverage: For an employee who selects employee-only coverage, the Village shall contribute \$500.00 per month for the cost of such coverage. If the monthly premium for employee-only coverage exceeds \$500.00, the balance shall be deducted on a pro rata basis from the employee's pay checks.
  - Dependent coverage: For an employee who selects any type of dependent coverage (children, spouse, family, etc.), the Village shall contribute 50% of the difference in total cost between the individual premium and the premium selected by the employee for such coverage. For example, if the monthly premium cost for individual coverage is \$600.00 and the monthly premium cost of family coverage is \$1,000.00, an employee selecting family coverage will be required to contribute 50% of \$400.00 (\$200.00) plus the \$100 the employee pays for individual coverage for a monthly total of \$300.00. This contribution shall be deducted by the Village from the employee's pay checks on a pro rata basis.
- 13.2 Nothing in this Agreement shall prohibit the Village, at its sole discretion, from changing medical and/or life insurance carriers, the types of health and/or life insurance plans offered, the level of benefits offered by the health and/or insurance plans and/or any other condition relating to medical and/or life insurance coverage that the Village may consider advisable.
